A block of rooms is available under Ron Smith & Associates at a rate of \$87/night and are available through 3-30-2012.

Target Audience:

This advanced course is designed for examiners who want to learn more about the use of simultaneous impressions in the identification process. If your agency currently doesn't report identifications based on simultaneity then you may wish to attend. Research from both the United States and the United Kingdom will be presented along with the SWGFAST position on this important topic.

Attendees Should Bring:

A fingerprint magnifier and ridge counter are required for this class.
Dress is business casual.
